

Clear Lake Booster Club **Membership Drive 2018-19**

Did you know?

Booster Club provides funds for all sorts of different activities. Our band and dance teams received a donation to help pay for new uniforms and costumes. Football received a jugs machine, 2 man and 1 man sleds. Baseball received Bom practice bats and softball received a new pitching machine. Boys and girls ten nis received new balls. Girls soccer received funds for new agility equipment, and volleyball is getting 2 new net systems. Lions Performance Training (LPT) received funds to purchase 2 power racks, 5 hex bars, 3 barbells, resistance bands and medicine balls. The school is also receiving funds to help offset the cost of the new discus cage. We continue to help fund the weight room coordinator position and athletic training time from Athletico. Boosters also help pay a proportion of Official/Umpire fees for games. We also help fund the purchase of: warm up jerseys for boys basketball, socks for boys and girls soccer, and pants for baseball and softball. This is all in addition to the annual expenditures towards awards, plaques, banquets, sports programs, All Star games, graduation flowers, sports posters, sports balls, state participants, CARES, yearbook ad, and Clear Creek music programs.

How is the Booster Club able to provide all these contributions to our Clear Lake students?

The booster club is able to provide these contributions thru cash donations made by community members & parents to the Booster Club during the annual membership drive, thru concession stand sales & booster club fundraisers such as the annual golf outing and the winter basketball tournaments.

Here is how you can become a Member
